## PRICE ANNOUNCEMENT

July 23, 2019

To Our Valued Customers:

Please be advised that effective immediately, Nucor Tubular Products will increase pricing as follows:

- All sprinkler pipe products by a minimum of 5%
- A53 products by a minimum of \$40/ton

This increase is a result of increased demand, continued reduction in inventory levels, and a continued escalation of raw material prices.

All orders booked prior to this announcement will be price protected for shipments through August 6, 2019. New orders, quotes and contracts not previously confirmed by Nucor will be subject to this increase.

We at Nucor Tubular Products value your relationship and look forward to serving your needs in the future. Please feel free to contact your NTP sales representative if you have any questions. We appreciate your business and your continued support.

Sincerely,
