

NUCOR®

TUBULAR PRODUCTS

PRICE ANNOUNCEMENT

November 22, 2021

To Our Valued Customers:

Please be advised that effective immediately, Nucor Tubular Products will decrease pricing on all new orders for HSS, pipe, mechanical, and piling products by **US \$100/ton**. This decrease is a result of normalized raw material costs and reduced transportation volatility.

Demand across the various end-use sectors we serve remains robust, and we continue to be optimistic about the outlook for 2022.

Nucor will continue to monitor the marketplace and respond accordingly to any future changes.

We at Nucor Tubular Products value your relationship and look forward to serving your needs in the future. Please feel free to contact your NTP Sales Representative if you have any questions. We appreciate your business and your continued support.

Sincerely,

Doug Rife, Group Structural Sales Manager
Aaron Barnett, Regional Sales Manager-NTP North
