PRICE ANNOUNCEMENT

March 8, 2022

To Our Valued Customers:

Please be advised that effective immediately, Nucor Tubular Products will increase pricing as follows:

- All sprinkler pipe products by a minimum of 10%
- A53 products by a minimum of \$150/ton

This increase is a result of rising raw material costs, strong demand, and volatility of transportation costs.

New orders, quotes and contracts not previously confirmed by Nucor will be subject to this increase.

We at Nucor Tubular Products value your relationship and look forward to serving your needs in the future. Please feel free to contact your NTP sales representative if you have any questions. We appreciate your business and your continued support.

Sincerely,
