## TUBULAR PRODUCTS

### PRICE ANNOUNCEMENT

March 8th, 2022

To Our Valued Customers:

Please be advised, that effective immediately, Nucor Tubular Products will increase pricing on all new orders for HSS, pipe, mechanical and piling products by **US\$150/ton**. This increase is a result of rising raw material costs, strong demand, and volatility of transportation costs.

All orders booked prior to this current announcement not on a rolling will be price protected through March 22, 2022. Open orders booked against current rollings will be price protected through April 05, 2022. New orders, quotes and contracts not previously confirmed by Nucor will be subject to this increase.

We at Nucor Tubular Products value your relationship and look forward to serving your needs in the future. Please feel free to contact your NTP Sales Representative if you have any questions. We appreciate your business and your continued support.

Sincerely,
