

PRICE ANNOUNCEMENT

October 27, 2025

To Our Valued Customers:

Please be advised that effective immediately, Nucor Tubular Products will increase pricing on all new orders for HSS, mechanical, and piling products by **US \$50.00/ton**. This increase is a result of robust demand.

All orders currently on our books will be price protected for shipment through November 21, 2025. Any offers that are not confirmed with a Nucor sales acknowledgement or written acceptance by both parties will be subject to review and re-quote.

We at Nucor Tubular Products value your relationship and look forward to serving your needs in the future. Please feel free to contact your NTP Sales Representative if you have any questions. We appreciate your business and your continued support.

Please be advised that despite increased demand, our order books remain open and reflect availability through the end of 2025. We will continue to monitor the market and will assess January availability in the coming weeks.

Sincerely,

Alex Ostoich, Regional Sales Manager – NTP North
